Subject: Open Banking Data Submission Exrension
Date:

Dear Treasury,

SISS Data Services Pty Ltd is submitting a strawman data security standard as part of the Open Banking Data review.

This data standard will cover the following areas:

- 1. Minimum data security
- 2. Control requirements
- 3. Business continuity and disaster recovery
- 4. Insurance
- 5. Accedititation

We are currently finalising the submission, and ask for a extension to Sunday night if possible.

Regards
