

Dear Sir / Madam,

I write to express my strong opposition to the Bail-In of Bank Deposits.

I am a local Councillor at the Glenelg Shire Council, in South West Victoria. I have attached a copy of a Notice of Motion that I put onto the Council's Meeting Agenda on 27th May 2014.

This motion was passed comprehensively.

I am concerned that the Big Banks can gamble with ordinary people's bank deposits and I support a US Glass-Steagall law or similar for Australians to enjoy the protection of their hard earned deposits.

Thank you for your consideration.

Regards

Gilbert Wilson (Cr)
