Dear Robert

Re: think Tax Discussion Paper

Thank you for the opportunity of providing input to the Commonwealth Government's
Re:think Tax Discussion Paper.

As the peak national representative body for the mining and mineral exploration sector,
AMEC has a direct interest in an internationally competitive, efficient, simple and fair tax
regime.

It is in this context that the **attached** submission is made.

AMEC notes the intention of the Task Force to have further consultation and looks forward
to being directly involved in that process.

I would be pleased to meet and discuss the issues raised in the submission.

Yours sincerely
