Subject: Worried disabled person living on benefit and need franking credits for living costs

I am very scared of the future, I am paying more and more to live I am poor and I'm in no way capable to get a job as I'm a ampute nearly sixty years old , I relie on the franking credits to help feed my family and keep the electric on etc. I'm begging you do not change the franking credits please you promised not to change them ie alboanese and the election promises I have bought share that had franking at 100% so I get maximum gain from Australian companies I built up over ten years please don't destroy what I've built , just to rob peter to pay Paul please stop this greed please we need confidence in a system not changes to cause fear. Yours sincerely
