

AUSTRALIAN FINANCIAL SYSTEM ENQUIRY 2014

YOU ARE TO IN NO WAY BAIL IN BANKS BY STEALING FROM CITIZENS' BANK ACCOUNTS, WHETHER THEY BE SAVINGS, SUPERANNUATION OR OTHER.

We do not consider these accounts to belong to the banks and any inference otherwise is invalidated by lack of reasonable disclosure.

The politicians of Australia are directed by MY WILL to in no way facilitate or sign in or onto ANY ENABLING covenants towards the ends of a bail-in as described above.

To do so will be held to be A BREACH OF TRUST
