Financial Systems Enquiry,
G.P.O. Box 89
Sydney N.S.W., 2001

Dear Mr Murray,

In light of the major Financial Scandal with investors of two of our major Banks being robbed off huge sums of money under the guise of prudent investment.

We demand that the push for "Bail In" for T.B.T. Fail Banks be abandoned now.

We urge the Govt to support a Glass-Steagall separation of banking, such as was used to rescue the American economy in the 1930's.

We also ask for a "National Bank" with funds available for new infrastructure projects.

The current financial system is collapsing all around the World.

Please do something before it is too late.

Yours sincerely,
ALBERT H. LENANE

A.H. Lenane.
