Re: Currency (Restrictions on the Use of Cash) Bill 2019

Dear Sir/Madam,

I am writing to request that the following Bills are withdrawn immediately and are NOT introduced into Australia. I strongly oppose these Bills and believe they are a gross abuse of Australian economic and civil rights:

- Currency (Restrictions on the Use of Cash) Bill 2019;
- Currency (Restrictions on the Use of Cash – Expected Transactions) Instrument 2019; and
- Currency (Restrictions on the Use of Cash) (Consequential Amendments and Transitional Provisions) Bill 2019.

These Bill (and their associated legislation) are nothing but an assault to our economic freedom in Australia, robbing hardworking citizens of their civil liberties.

The government has no right whatsoever to:

- a) Dictate how individual Australian's spend their private wealth;
- b) State the methods in which private financial transactions must be made;
- c) Interfere with private economic affairs.

Can you please acknowledge receipt of my communication by mail to the return address (above) or by email to pip@futuregym.net

Yours sincerely

Ms. Philippa Coory
