**Re: Australian Government - Cash Ban**

I wish to object to the cash-ban law that will stop Australians from using cash for transactions over \$10,000.

It is my right to use cash, for privacy and as a choice, not to use the banking system.

This is not about the black economy, as the vast majority of tax evasion and money laundering is done by banks and corporations, not individuals.

The government should not be stripping Australians of our rights in order to force people into the banking system, so we cannot escape bad policies such as bail-in and negative interest rates.

This Parliament is already operating in contradiction of the Australian Constitution and are in law committing Treason.

The proposed Cash ban is an outright attack on the people you have been elected to represent. I demand that you cease & desist with the cash ban intended action.

Kind regards,
