Re: Government Mass Robbery by Bail-in and Negative Interest Rates.

To whom it may concern.
I am not giving you the benefit of the doubt and lodging concern as to our policy makers direction. If their deliberations were plausible this correspondence would not be necessary. I am raising the issue of the proposed bans of bank cash withdrawals over ten thousand dollars. With the recommendations by the IMF down to two thousand dollars once the initial draft bill has been passed. As in Division two it is left blank, containing only the words " to be inserted ". This will leave an unobstructed pathway for the mass robbery of the people. When the Bail-in laws are implemented by our complicit powers that be. As the people will be unable to acquire their monetary assets in the banks they entrusted the fruits of their life's work to. Also the banks scam of negative interest rates to charge their { what is left of them } customers for having their money in the banks. This deception is truly government criminality that will bring the nation and its people into poverty. But there is a winning answer that makes the above unnecessary and it is the.

Please open the link above for an in depth detail explanatory study of Glass Steagall bank separation bill.

So now being the time to stand up and be counted. Are you with the people whom entrusted you with the position you hold for them.
Or will your alliance fall to the corrupt { as proven by the royal commission } banking and financial cartels.
Thanking you for your time and consideration for the above and we remain.

Respectfully Yours.

Mr. John Kohl.
